- Aligned with Sustainable Development Goals (SDGs)
- A luxurious lifestyle, rooted in nature's serenity
- Wrapped in safety, designed for a lifestyle without worry
- A complete city where business, lifestyle, and connection coexist harmony

OUR VISION

We are not just offering homes, we offering a **lifestyle rooted in health, harmony and sustainability.**

Modern urban life in nature by building an environment where:

- **Nature is nurtured, not displaced,**
- **Peopple live in harmony** with their surroundings and each other,
- **Modern amenities coexist with environmental stewardship**

The project emphasizes:

- **Green sustainability**
- **Social integration**
- **Physical and mental wellness**
- **Safe and secure living**

ANONDO BHUBON DETAILS

Location:

The project is situated near to Sector 30 of Purbachal New Town, opposite of river Shitalakshya on the southern side of the Danga-Panchdona Highway, and next to the Bangladesh Special Economic Zone (Japan EPZ). The project is just a 20-minutes drive from Kuril Flyover/ Banani/ Gulshan.

Project Area:

The total area of the project is approximately 3,000 bighas. It is divided into 10 sectors, each covering 300 bighas of land.

Plot Sizes:

Available plot sizes include 3 katha, 4 katha, 5 katha, 7.5 katha and 10 katha.

Land Usage Ratio:

As per housing policy, 35% of the project area is allocated for roads, drainage, social and commercial facilities. However, in Anondo Bhuban 42% of the land is allocated for infrastructure and amenities.
